Languages

English – Fluent

German, French, Latin – Beginner

As a current ITS assistant, I am eager to contribute my expertise to the Defense Logistics Agency's Cybersecurity Operations team. My understanding of risk assessment and system hardening aligns perfectly with DLA's mission to safeguard critical information systems. I am committed to leveraging my skills in identifying emerging threats and implementing robust security measures to protect the agency's digital assets and support its vital role in national defense logistics.

Experience

Wittenberg IT Solution Center, Springfield, OH

ITS Assistant – October 2022 – Present

- Contributed to a positive work environment with strong interpersonal skills and proactive teamwork attitude.
- Greeted guests in with friendliness and professionalism.
- Answered incoming phone calls to process requests, transfer calls, or relay messages to appropriate personnel.
- Safeguarded sensitive information through proper documentation handling, data entry, and record maintenance procedures.
- Developed a comprehensive skill set that includes imaging Windows computers, familiarity with BIOS, proficiency in Microsoft Office, and expertise in online documentation.

United States Marine Corps Reserves, Nitro, WV

Combat Engineer – January 2021 – November 2022

- Upheld Marine Corps dress and appearance regulations for professional appearance.
- Maintained required level of proficiency in use of firearms.
- Exemplified strong leadership and dependability by effectively guiding subordinates through challenging tasks, ensuring adherence to safety protocols and operational standards while fostering a cohesive team environment.
- Anything else I was instructed to do.
